Friday

Whitley Camp.

Dear Mother Father & Harry
Well dear Will But you
won't be showing this letter
around. as there is not
going to be much description
about it. I am going to send
my diary home,

I am on Machine Gun
work and we are certainly
rusting it through, I do not
know whether, I will be
here for Christmas or not
as we are sending drafts
about every week now.
Charlie Penny leaves on
one to-morrow.

It does not bother me
so much now. The thought
of going and Will & really

Be glad to get out of here.

I received your letter
and suppose dad has
arrived with his deer
do not think you are
taking any advice dear
about too much work
as that week you
mentioned in your last
letter was a bumper

I am going up to London
again this week end and
and hope to see Murray.
there But do not know for
sure whether he is going or
not. He is instructing
Mustety and I have not
seen or heard from him
since last Sunday.

I had my pictures taken
and think I will send them

around for Christmas
presents as anything
worth while is almost
impossible to get. The
Stores in London are all
closed when we get there
Sat afternoons so it is
pretty hard getting things
and thought pictures
would be appreciated
as much as anything.

I got the dandiest
Leather pocket Book from
Annabelle yesterday
I think I will send it home
until I get Back Because
it is certainly too good
for this life.

Well dear I have
not got very much to
say to night I am feeling

fine card weight pretty
nearly 170 shape and
pray you are all well.
and pray that it will
not be very long before
we are all together
again

Remember me to
all

Your loving Son & Bro
