Delaware Camp.

My dear Mother Father & Carrie.
Surrey England.

I am so let you know. I am feeling fine although believe me I have had my share of duties last week and it is starting right off again this week.

Last Tuesday I had charge of the Divisional Head quarters guard coming off at 6³⁰ AM. A fight in morning on Wed night I had a down town picket. A fight started about 10 PM and instead of being finished by 10³⁰ it was nearly 1 AM when we got back. It was not a very serious scold. We put a fire in the Clinique and that straightened things up.

At 8³⁰ AM Thursday morning I took over the Thursday guard and came off at 8³⁰ AM. Friday went on the same one again at 8³⁰ AM Sat and come off this morning I have already been warned that I am

Battalion orderly Corporal to - messenger

I have not had any mail notes for nearly a month but heard that there was some Canadian mail over at the Post office now.

weep dears I guess will have to name our Blankets should have come in from Thursday by Transport and I don't see then yet so its up to me to get some for the Boys some place

Hope everything is going along good and everybody well

Your loving Son & Brother
Bob
