

Sunday September 7/17  
Same old Place

My darling Mother, Father, Carrie.  
Received a dandy letter  
from home one from Carrie several  
from Annabelle yesterday and I was so  
glad to hear from you all. Also a  
Canadian Mail only comes in now  
about every three weeks and you bet you  
my life we appreciate them when we  
get them.

To-day our Platoon has a  
pass from Rexville until 10 P.m. to-night  
every Sunday a platoon in each Company  
get a pass now, that makes us a Sunday  
off every three weeks. Murray & I got up  
and dressed this morning intending to  
go out. But it is our "part day" "Raining  
and cold." It is now 1 P.m. and we are still  
here so I guess we will stay in now.

Yourself was a case of going to see some  
of you I am afraid it would take more than  
weather conditions to hold us back.

I am awfully sorry I missed your  
Birthdays this year "dear" But when I get  
back we'll have to have a party to  
make up for all our neglect.

I hope you are all feeling fine now  
it makes one feel bad to think of any of  
you feeling sick. I suppose the apartment  
are about finished now won't it be  
dilly when we all get together there.  
I think some time as soon as it can  
be arranged. A mabele and I will be  
looking around for somewhere to lay  
our weary heads. But this is just a  
dream.

I was glad to hear that you were  
so busy and I wish I were there to  
help out. I see Tommy Britton quite

all the time. Well to make another  
chart. I and Herbert wait there we  
have been out a couple of times and  
expect to be quite chummy. He is  
looking fine now and it amazes A.  
again so I guess it will not be very  
long before he leaves here. But we  
expect to make the best of our time  
while he is here.

On yesterday we went to  
Godalming and we introduced him  
to the place we go every week for our  
good meal. I enjoyed the last Box you  
sent very much that Maple Butter  
is fine stuff.

Murray & I are feeling fine  
we were inoculated again last week  
but it hardly bothered me at all this  
time

Well dear I think I will pull

often now, and he is just the same  
as ever.

But the biggest surprise of the  
season comes now. Do you remember a  
Mr Tremain who used to keep a store  
out at Pottersburg and was connected  
some how with singing up at Myrtleford  
St Church. He lives here now and  
called around to see some of the Boys  
from Pottersburg. There a couple in  
my section so they introduced one  
when he found out it was Chris Leach  
so he took one under his wing too  
he wanted to treat us some way so  
we steered him down to a pie stall  
we knew real Myrtleford when we got  
there it was closed, so we went to  
the nearest "ig" which was down in  
the Artillery lines. The Artillery here  
are never some going and coming

The pin snow.

I heard from Norm Storrmen  
& I Huddleston last week and they  
are OK, although they have seen some  
pretty tough winter snow, lately.

I was sorry hear Louise had  
been under the weather too. I often  
hear about Charlie Penney he is  
still down at the C.O.R.D. and is  
feeling pretty good again. I hear  
~~from him~~ remember me to all dears.

Your loving Son & Brother  
Bob.
