Pte Rev Leach.

March 1 1918

My darling Mother Father
Barrie.

Just a line to let you
know we arrived O.K. and
we have certainly been lucky
and as far as possible
treated with every consider-
ation. First of all the trip
across the channel was fine
and instead of a long march
when we got here we were
met by a string of motor
trucks and it was sure
some lift.

Murray & I are in
the same tent. But we
expect to join our Btt.

in a few days so you
can send my mail to the
4th Can^{Inf} Bn. B.C. & France
and don't forget dear Sam
a Pte now and I am mighty
proud of it.

Myself & I are both feeling
fine and I sure hope everything
is going along good at
home & you are all well.

I am now on I will
not be able to write long
letters but will write as often
as I can to make

Remember me to all

Your loving Son & Brother
Bob.
