

Sunday, July 14/8

Somewhere

My darling Mother Father & Sister
Just received a letter
and believe me it was, "Drie
Bien", we have been having
quite a lot of rain lately,
~~but outside of that everything~~
is fine.

For the last few days
I have certainly had some
time, we were all ready to
go up, when I had the chance
of a try out with the Bthn.
concert Party, so at present
I am back with the Transport
Murray is up there so you
will probably be getting field
cards from him, I wish you
would send me two or three
of my songs also a couple of
duets. I heard of a song To-day
that I wish you would try

and get for one called
"Down Below". This party
will be composed of about
11 or 12 and at present there
are 26 so there is a lot of
weeding out to be done.
Those who are lucky or
good enough to make the
party will be kept out of
the line and will probably
be attached to the Y.M.C.
to train the whole Canadian
Corps.

There were 9 or 10 of
us striking together and
we were left for the day
without rations so we went
out on an expedition to get
potatoes etc & talk about
line work. Mr. Rogers is at
present in Charge of the General
party. He is a cousin of
Elmer from Toronto I have

not had a chance to speak
to him yet. By the way
I heard Harold had a chance
of a job in the States and
Elsa did not want to raise
her family to be yanks, are
they still in London.

I would sure like to
see that Verondah of Dads
I have heard about it from
others I also hear that you
have the Big Fern in a
prominent place.

I would sure like to
be in old Brice's. One school
but believe me dears I am
not looking for any Blighty
if I can help it.

I have heard about the
Registration of all persons
over sixteen, would like
to be a Deputy in some
office I'd bet they hear some

real Comedy there

I sure hope these new
food Laws do not effect the
Business too much But
believe me dears we'll pull
through all fate.

I had a letter from
Mrs Samp the other day
and was certainly glad to
hear they were getting
along so well.

Also heard from
Ray Barrel and of course
come from Tommy she is
sure a darling

Will dear remember
me to all. I am sorry Murray
is not is not a musician
a dancer or an Executionist
so he could get a chance But
I think it will be a pretty

quiet trip
