

Sunday July 21/8
Somewhere in
France.

My darling Mother Father & Sis

Well dears here we are
again another Sunday and we are
still as optimistic as ever & are more
well nearer home.

I am still in the
Concert Party, but believe me there
is more real work in connection
with a show than I ever thought
of. But our middle woman is work
and if it turns out successful we
will be repaid for what we have
done and then probably we will
have it easier.

The Bth. is out, therefore
Murray and I are together again
although at present I am attached
to Head, quarters and not in the
same hut.

Murray is feeling fine
and by all reports they had a
pretty jake time last trip in
but I was not there to see.

I was quite disappointed
there was a parcel sent up the
line for me and, there is a general
rule here that when a parcel

queer up the line it stays there, so
I guess I have lost it. But I do not
~~know~~ whether I think there will be
any more trouble about mail now
that I have be attached to Head
quarters.

I am sorry I have not been able
to write more this last week but
as soon as we get in shape I
expect I will have more time.

Well dear this is just a note
and I'll try and write again this
week. Hope you are feeling good
& things going along well.

Remember me to all, with
best love to you all dear.

Your loving Son & Brother
Bob.
