

September 27/16

Dear Mother Father & Lennie.

Received a letter from Mother the other day and it certainly seemed good to hear from Home. Everything is going along here as usual we have had a few Breaks lately in the shape of Gas Raids they always come about two A.M. and we have ^{to} get up and dress in the dark, isn't it strange I know just where everything is.

Last night I went down to Godalming and had a good Bath just imagine walking three miles there and another three back just for a Bath, I saw Red.

Exstine down there he has only been here a short time and came over with some Battery.

Aeroplanes are quite a common sight to us we can see one almost any time we want to look.

We are starting to work pretty hard here just now every.

Parade is with full pack, Murray
and I and all the Boys are feeling
fine although I will be glad to
get some extras from Home.

There are some bunch of Canadians
here. It looks like a new Division
to me But believe me I will be glad
to be done with it.

Well dear The Boys are
going to the Post office now.
Remember me to all well
write again

Friday

Lots of Love

Bob.
